

## ***IHQ Staff Provides One Thousand Dollars of Holiday Cheer To a Family in Need***

On December 19, 2008, the Staff at the Omega Psi Phi Fraternity headquarters joined together to collect money for a family who had been identified by Radio Station V-103 as a family in need of special love and assistance.

The successful collection effort was championed by Ms L. Cheré Turner (IHQ Program Coordinator). She was able to garner almost 100% participation by the staff in this effort. The Fraternity's Grand Basileus, Bro. Warren G. Lee, Jr., made a sizeable donation to the effort to match what was collected by the staff. Several Brothers who were on site for meetings that day at IHQ also contributed to the effort.

*The photo shows a family representative receiving a check for \$1,000 from Ms Rutherford, Ms Turner and Bro. George Smith (Liaison to the Grand Basileus) and Bro. Lawrence Richardson (IHQ Finance Director).*

The family (name withheld) was prayerful and gratefully overwhelmed by the love, support and Uplift provided to them by the Omega Psi Phi Fraternity's administrative staff.

The family thanked those on hand for the presentation and offered their prayers up to God for the blessing. All Omega Men can be proud of their IHQ Staff who reached out into the community demonstrating the Fraternity's own ethic of Social Action and Cardinal Principal of Uplift.
