Omega Psi Phi Fraternity, Inc. and IMDiversity.com Join Hands

(Decatur, GA December 2008) --- The Grand Basileus of Omega Psi Phi Fraternity, Inc. announces a new partnership with IMDiversity.com.

IMDiversity.com was conceived by THE BLACK COLLEGIAN Magazine, which has provided African-American college students with valuable information on career and job opportunities since 1970.

IMDiversity.com is dedicated to providing career and self-development information to all minorities, specifically African Americans, Asian Americans and Pacific Islanders, Latino/Hispanic Americans, Native Americans and women.

The goal of IMDiversity.com is to provide jobseekers with access to the largest database of equal opportunity employers committed to workplace diversity.

Its mission is two-fold:

1. To help you find a job, and empower you with the tools and information you need in order to succeed at that job.
2. To provide each group with political, economic and spiritual information specific to their ethnic group, thus empowering them to achieve personal fulfillment.

IMDiversity.com is proud to reflect the rich culture and heritage of each under-represented group in their own virtual village, which contains news and features articles by leading writers, thinkers, academicians, politicians and social activists.

Omega Psi Phi Fraternity is an organizational Brotherhood consisting of 750 chapters and approximately 20,000 active members throughout the world. Omega Psi Phi is a unique group of men that encourage high standards; community service and assist in the building of character and leadership development among men. Members of Omega share a common foundation of comradeship that lasts a lifetime.

In its continuing effort to give excellent service to its membership, Omega Psi Phi Fraternity reached out to IMDiversity.com because it offers a top-notch business directory and job search forum. Members can access the site by logging in and navigating to Resources. In Resources, follow the Job Postings link to IMDiversity Job Board. Members in good standing are encouraged to use this new tool for their personal advancement and to provide feedback to help us make it even better.
